

**Simplified modelling for restorations  
without occlusal corrections**

**Workshop powered by**

Lector: **Dr. Marcin Krupinski**

de la ora **10:00** la ora **13:00**

**25 Aprilie 2024 - GRAND HOTEL ITALIA**

**Cluj-Napoca - Sala Michelangelo**

**Taxa participare: 150 EURO = 750 RON**

***Locuri: 15 medici***

**Inscrieri: <https://identevolution.ro/workshops-schedule/>**

Modeling posterior restorations seems as something only for composite masters – many details of anatomy characteristics and it is often necessary to correct occlusally, which leads to the results of our work often differing from expected. How modern materials can help us model in a repeatable way? Presentation and step by step practice of 3 modeling principles, the application of which will minimize the need to correct our fillings in the bite.

**Workshop-ul se va desfasura in cadrul congresului iDENT 2024, Cluj-Napoca**

Pentru a vă putea înscrie la acest workshop, este obligatorie participarea la congres.
